

June 7, 2019

To whom it may concern,

My name is Keith Rajanen and I have coached high school football and baseball for 20 years. I have coached freshman baseball at Chaparral High School in Scottsdale Az. For the last 14 years. I have coached over 1000 players of which, most have received a scholarship of some sort.

I met Hayden Lewis in June of 2018 and coached him in baseball throughout his freshman year. Hayden is a very good student; he carried a GPA of 3.5 or higher throughout his freshman year. He is also an extraordinary baseball player/athlete. He now has the most wins ever as a freshman pitcher.

Hayden has an exceptional work ethic, making him the team leader. He worked harder than everybody else, so his teammates tried to follow his lead. He was always the first to practice and last to leave. He constantly encouraged his teammates with his leadership skills.

Hayden's work ethic and ability to learn quickly made him the best player on the team. His ability to perform under pressure made the best freshman pitcher the school has ever had. That is an enormous accomplishment being the school has won 10 State Championships and I have coached several Division 1 and 3 MLB pitchers.

Hayden Lewis can accomplish anything he sets his mind to. I believe he will have several Division 1 Scholarship offers if he continues to pitch. His work ethic, ability to learn quickly and ability to perform under pressure will make him successful in all his endeavors.

Hayden Lewis is truly the son that every parent wants their child to be!!!
